**Hearing God's Voice through His Word**

Dates: Aug 2, 9, 16, 23

Instructor: Ps Bob Burton

This course will teach you to hear the voice of God through His Word as He imparts a hunger and ability to listen to what He is saying to you and how to respond appropriately. Through the use of the SOAP principles and small group sharing we will learn to feed ourselves on God's Word rather than depend on others for our spiritual growth. The ultimate goal is that we be transformed into the likeness of Christ.

This training is the beginning of an exciting journey in the Cell Leader Intern's walk with the Lord and his involvement in the Cell Group Church. It is designed to introduce him to being a Cell Leader. It explains the biblical basis for a Cell Group Church and provides him with the handles on how to be an effective Cell Leader. It helps sharpen his cell leadership skills and nurtures the shepherding heart of the trainee. This course is only for those who are nominated by their respective Cell Leaders.

**Intentional Discipleship Training (IDT)**

IDT 1 by Barry Page - Apr 5, 12, 26 ▪ May 3, 10, 17, 24, 31  
IDT 2 by Ps Benny – Aug 2, 9, 16, 23

We do not try to be disciples but we train to be disciples. This is what IDT is all about. We will return to the ancient paths and revisit the basic elements of the inner life and what it takes to nurture depth in our spiritual walk. As we examine the basic spiritual disciplines of prayer, word, scripture memory etc, we return to the art of soul-care and establish afresh a foundation for intentional discipleship. This is Part 1 of becoming disciples of a certain kind.

This course is mandatory for cell leaders and their spouses. It is also open to appointed cell interns and MLE. The content will be repeated in the cell groups.

Church membership means more than simply filling a form and signing a piece of paper. Becoming a member of Faith Community Church (FCC) expresses your commitment to this spiritual family.

It signals a desire to belong to a spiritual community that worships together, serve together and pursue God's purpose and plan for this house. This is an important class for all existing as well as impending members of FCC.

### Encounter Weekend

Dates: Jul 10 to 11 (Ladies) ▪ Jul 17 to 18 (Men)

Throughout biblical records, we see men and women experiencing life-changing encounters with the Living God. The Encounter Retreat is structured to provide the platform and assume the posture conducive for us to have an encounter with God.

By bringing participants back to the Cross, we return to the place where we meet with our Saviour and allow His Presence in the Spirit to transform us from inside out. We also come face to face with the hurts of the past and pain of the present and allow the Holy Spirit to bring healing and freedom. Finally, we catch a glimpse of the future that we can have in Christ through the power of the Holy Spirit.

## 200 Series

### Prayer Series I

Dates: Aug 2, 9, 16, 23 ▪ Facilitator: Victor Au

Be empowered by experiencing God's power through prayer, praying effective fervent prayer the New Testament way. This kind of prayer will change your prayer life. God is looking for intercessors to stand in the gap. Let the Holy Spirit of grace and supplication lead you to pray with understanding and in the Spirit. You will also learn how to build an intimate relationship with the Lord which is maintained by the impulse of the Holy Spirit.

### Book of Jonah: GOD SO GREAT

Dates: Aug 2, 9, 16, 23

Facilitator:

The Book of Jonah is an action-packed record of a reluctant prophet running away from a compassionate God and a dangerous mission. Add to the drama, a giant fish that is more obedient than the man of God! Spice it up further with an obedient worm, a submissive plant, a scorching wind and you have a story fit for a Hollywood movie. The question is:

- Should we read the Book of Jonah as fact or fiction?
- Is this meant to be a creative parable or a historical account?
- What is the key message behind this book?

Coverage includes:

- The Story of the Reluctant Prophet
- The Miracle of the Obedient Fish
- The Story of the Repentant City
- The Heart of a Compassion God

### Soul-Winning Made Simple

Dates: Apr 5, 12, 26, May 3 ▪ Instructor: Michael Soon

Proverbs 11: 30 reminds us that

'The fruit of the righteous is a tree of life, and he who wins souls is wise.'

Sustainable soul-winning is not something that we can drive simply through programs or events but it must be a passion born out of a deep conviction about the lostness of man without the liberating power of the Gospel.

Only then can soul-winning become a natural overflow of who we are rather than what we do.

This series seeks to explore how soul-winning can be turned from a duty to a delight through the power of divine appointments!
