Christian Beliefs 1

Christian Beliefs 1 aims to deepen your understanding in five key Christian doctrines – God, Jesus Christ, the Holy Spirit, humankind, and sin - that are necessary for growing deeper in our love for God and our understanding of the Gospel.

Start Right 1

Start right aims to guide you through some of the foundational doctrines and teachings of Christianity to help you understand who God is and how you can relate to Him. We will explore topics such as the Gospel, the Kingdom of God and the will of God, which will give you a greater love for Christ and a deeper understanding of what being a Christian is all about. We employ various strategies for learning including role-play, interactive games and group discussions to allow you to actively participate in the class and help you better understand the material

Start Right 2

This course aims to guide believers on an exploration of what it truly means to follow Jesus. This course will unpack the Biblical basis of what it means to be a disciple of Jesus Christ and challenge believers to walk faithfully and obediently before God in all areas of their life. Through a mixture of teaching and group discussions, students will not only expand their understanding of discipleship but will be challenged to internalise and live out a life of discipleship.
