

Internship Program

Thankyou

for choosing our *Internship Program*

The goal of the Arrows Internship Program is to holistically equip you in your head, heart, and hands. Therefore, our commitment to you is that we will equip you with more knowledge about God, we will nurture a growing love for God and His church, and we will train you with practical experience to be a more effective minister for His kingdom.

We ask that you be willing to go with us on that journey. As such, we ask for your commitment to successfully complete all subjects offered by Arrows College and to serve at least 2 weekdays in church, plus Sunday services and events for a total of 6 - 9 months. This will give us the time to train and equip you in your nominated area of ministry.

Subject to your acceptance into the Internship Program, you will receive an 80% discount off the full Arrows College fee.

By applying to the program you acknowledge and agree to the above requirements.
