**"But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."
– Acts 1:8**

Blessings to you brethren in the name of our Lord and Saviour, Jesus Christ.

In the book of Acts, Jesus was teaching His disciples to be witnesses in Jerusalem, whilst they were in Jerusalem. He called them to Judeah, which Jerusalem was situated in. He called them to Samaria, the neighbouring country. And to the nations.

In our context, Jesus is calling us to witness Him in Perth. In Australia. To the neighbouring countries. To the nations beyond. He has promised us power through the Holy Spirit as we do so. As we continue our discipleship and take our next steps with Him, I prayerfully ask that our response to Christ is yes and amen. God bless you as you consider missions locally, and globally.

Shalom.

Updates from Beverley

In August, Mark and Shawn's Vibe Connect group had the wonderful opportunity to partner with Uncle Adrian and Aunty June for an intergenerational mission trip to Beverley.

The team led a Sunday service at the local church and visited a nearby aged care home, where they spent meaningful time with the residents—singing worship songs, praying, and enjoying fellowship with one another, despite being in different generations. It's inspiring to see this group step out in faith to serve together and be a blessing to the Beverley community for God's glory!

Have a read of some of the testimonies:

Jonathan:

Deeply encouraged by the faithfulness of Uncle Adrian & Aunty Jun and their commitment to Beverley. It hasn't been about fame or influence for them but plain compassion on the lost. I thank God that I can encounter such faithfulness and be encouraged likewise.

Jeremiah:

For me I felt personally moved by everything from Jonathon's sermon to the cell worship but particularly speaking to the Beverly residents whether that was at the aged care home and after the church service. After the church service, I heard the incredible story of one of the men and his journey, and it was amazing to see how people are still strong despite the majority of their community not sharing the same faith.

Kiona:

For me personally, I would say that God moved me to see the power and impact that music and worship have on people. It was really encouraging to see a room just full of people worshipping and singing along – it was like a mini glimpse into what heaven will look like.

Coen:

Seeing the oldies at the aged care home still have a smile and willing to share their experiences was really encouraging and you could just see God's joy and love fill the room when we were speaking w them.

Operation Christmas Child

In the month of October, as an FCC family, we all helped in buying and packaging Christmas shoeboxes filled with small gifts to be distributed to children in need across the world. In addition, the children are also invited to take part in a discipleship program called 'The Greatest Journey' where they get the opportunity to learn about who Jesus Christ is and His deep love!

Because of your giving and prayers, we were able to send over 350 boxes for Operation Christmas Child as a church! That's more than 350 lives that will experience God's love and hear the Gospel, with many more salvations to come!
