Welcome to **ENTHRONE** *Camp*

Welcome to Enthroned Camp 2026!

Holy, Holy, Holy, is the Lord God Almighty! He reigns over all humanity and is infinite in all His ways. There is only one response to a claim such as this: we must ENTRHONED Him.

Join us as we embark on a journey together to discover what it means to place Jesus as King over our lives, and to have only Him sitting on the thrones of our hearts.

Love, Siska

Session 1

Siska Sands

What does it mean to return back to our first love? Find out together as we come back to real intimacy with Jesus

Session 2

Yu Weng Choong

Is our reputation as a Christian a good indicator of our faith? In this session, we'll be exploring how even though Christians may appear godly, they can still be spiritually dead.

Session 3

Evander Agung

Are you truly living out your faith, or has it become lukewarm? We can often be deceived by the trap of self-sufficiency, but God is calling us to repent and live a zealous life for God.

Session 4

Yu Weng Choong

As Christians living in a secular world, persecution is something we will inevitably have to face. With our faiths under pressure, we'll be seeing how God allows us to persevere and withstand it

Session 5

Ethan Boey

When we feel weak, it's easy to spiral into dark thoughts and believe we're not enough. But God reminds us that our weakness is not the end of the story. When He is enthroned in our lives, His strength meets us in our situation and in Him, we are made strong.

Forgiveness

Eva Yip & Chuks Anwasi

Forgiving Others & Yourself

In this preaching session, Chuks and Eva will explore forgiveness and what it means to truly live it out. They will uncover the dangers of neglecting this area of our faith and how unforgiveness, if left unchecked, can seriously damage our relationship with God.

Taming the Tongue

Deborah Chen & Ryan Bringans

Gossiping & Swearing

Deborah and Ryan will explore how to discern the difference between being vulnerable and seeking wise counsel and simply tearing others down. They will challenge us to see the power of our words and how taming the tongue means learning to hold that power wisely and use it carefully.
