**Greetings in the name of our Lord and Saviour, Jesus Christ, the one and only begotten son of God! It is a joy for me to be part of the Kingdom works of our church, and for a newsletter like this to give glory to God.**

Jesus said 'Love the Lord your God with all your heart and with all your soul and with all your mind' and to 'Love your neighbour as yourself' (Matthew 22). There is a cost to love. We pay a price when we truly love. Our time, our preferences, our finances, our comfort, our resources, our will as we surrender. Many members of FCC continue to take their next steps of faith, in trust and obedience to reach the lost, the last, and the least. To love others, strangers and pre-believers, of cultures and peoples different from what they are used to.

My prayer is that we all, in the hunger for things of the Spirit, become more Christlike day by day, surrendered moment by surrendered moment. He endured the cross for the joy set before Him (Hebrews 12). May I propose to you, that part of the joy set before Jesus that enabled Him to endure the cross, is you. Is me. The very cross that we could not bear, He looked beyond it and saw us. In our desire for Him to increase, and for ourselves to decrease, may we love others and endure for the sake of their salvation.

*Shalom.*

PS BENNY ENCOURAGING THE LOCAL CHURCH

As part of FCC’s short term missions to the Philippines with Ivan and Maureen, who have been faithfully serving the poor through Oikos Helping Hands, God has been doing wonderful and amazing things. From the past few years, FCC teams have facilitated slum outreaches, youth programs and provide care for the destitute – bringing practical help and the love of Christ to those who need it most.

PASTORS PRAYING WITH THE LOCAL CHURCH

Recently, in December 2025, a panel comprising with Pastor Benny Ho, Hock Ching, Stanley Yap and Dr Daniel Lu visited the Philippines to encourage the local church and to learn about leadership.

In addition, local teams have been conducting medical trip at the local learning centre and within the surrounding slum communities.

KWANG AND LILIAN

The team has just started meeting to prepare for the upcoming April mission trip. This round the Lord has brought a truly cross generation group from age three to about seventy! It is going to be fun.

We will join our young missionary family, Jo, Yansoe and little Zoe from 8 -15 April, to engage their city community and the village of Candidasa, with field workers, locals, adults and kids, believers and pre- believers.

We are venturing to take early steps to encourage and to equip in the area of emotional healing and deliverance. And, believing the Lord to bring healing and renewal and restoration.

*A reminder from Revelation 22:2 - The leaves of the tree of life are for the healing of the nations. -Lillian*

Some of our FCC Family will be going on the next trip to Bali on the 8<sup>th</sup> of April till the 15<sup>th</sup> April. Let's continue to lift this team up in prayer. If you are wondering more about how you can join us in prayer, read the next page about our dedicated prayer nights.

# Prayer Nights

On the 7<sup>th</sup> of January, FCC held its first mission prayer night. This night was not only full of encouragement but was an opportunity to take delight in what the Lord has done missionally across our local and global partners. We also took the time to lift up our local and global missionaries in prayer as we pray mightily not only for strength but also for confidence to see God transform the cities, villages and provinces with His love and peace.

The aim of these nights is to rededicate our hearts to seek God’s kingdom to be advanced and to support our local fellow brothers and sisters locally and internationally!

Our next prayer night will be dedicated to pray over the nation, Cambodia. This will happen on the 4<sup>th</sup> of February. We will have our mission coordinators and past mission trip members joining us so come along if you want to know more about God’s heart for Cambodia!

If you are interested in learning more, read the next page to find out what you can do next!
