

# Being Missional!\*

Hi Church!

Let us redefine Missions. It has often been viewed as a specialized ministry, pursued by those who have a calling for it. But the Great Commission calls ALL Christians to make disciples of all nations, not just those who are called. In fact, we are all called.

Let us redefine Missions. It is not an outreach event or a mission trip. Our Lord Jesus gave the best example of a life on mission. He moved from place to place, engaging with people (often the outcast), teaching, healing, and displaying God's love. His lifestyle was His mission.

Let us redefine Missions. It is not only about proclaiming the gospel to individuals, i.e. evangelism. The goal, as stated in Colossians 1:19, is that through Jesus, to reconcile all things to Himself. So apart from the vertical gospel, we must engage in the horizontal gospel of social justice, cultural redemption, even creation care.

In short, Missions redefined is the call for all Christians to live a lifestyle that redeems all things to Christ.

## Feature Ministry:

Overseas Mission Fellowship (OMF)

International

Ever wondered what is it really like to be a missionary?

The OMF Mission Workshops will let you explore the realities of cross-cultural mission in a group setting where you get to engage in mission in a fun way. Through games, interactive stimulations and guided debriefs, you will experience the adventure of reaching all nations through cross-cultural mission.

OMF is a global fellowship of Christians with a heart for East Asia. Founded by Hudson Taylor in 1865, they are passionate to demonstrate and proclaim the good news to East Asia's billions, many of whom have never seen or heard it.

*Explore and learn about cross-cultural mission through six interactive workshops!*

The six workshop topics are: Where else does the gospel need to go? What's really involved in cross-cultural church planting? How can you share the gospel where it's not welcome? Why is crossing cultures harder than it looks? What happens between the 'sender' and the 'sent'? Who are the VIPs behind every missionary and their ministry?

Date: 20th July 2024

Time: 9am - 4pm

Venue: FCC Willetton

Facilitator: Sally Lee, WA OMF Mobilizer

*\*We have rebranded Going Missional to Being Missional, to reflect the ongoing and integrative nature of missions.*

### Special Serving Opportunity:

### Impact Youth Armadale Camp

Impact Youth Armadale will be holding their annual youth camp over the WA day long weekend. The camp will run from 31st May - 3rd June at Camp Geographe Scripture Union Camp Site, near Busselton.

We encourage CGs, individuals and families to take a trip down together to serve in this local missions. The IYA camp is typically well-attended by youths-at-risk from Armadale. It will provide you with opportunities to practice hospitality (treating outsiders as insiders), mentor youths, run workshops, games, and worship sessions. If you are looking for something meaningful to do over WA day long weekend, join us at IYA camp! Affordable accommodation and food are provided on the campsite. The photo in the newsletter header is from last year's camp.
