

2 0 2 2 VIBE WINTER CAMP CAMPER'S GUIDE Hey Vibe!! Hope you're all excited and expectant for winter camp 2022 -

CROSSROADS!

With Australia now as a majority secular nation, as Christians, we're at the crossroads of whether to conform to the prevailing culture or to continually trust in the gospel of Jesus Christ as our source of truth and wisdom.

We face this crossroad at many points in our lives, from major life decisions to daily interactions with our friends and family. As we engage with the world - will we be swept away by popular opinion and conform to the majority? Or will we stand firm in Christ and continue to walk in truth and love despite opposing voices?

We hope that God will speak to you through this camp and give you a fresh conviction to live out your faith courageously for Christ through every crossroad of life!

a note from our camp commander
____ <u>ARTHUR</u>LAI

I am saying this so that no one will deceive you with arguments that sound reasonable. For I may be absent in body, but I am with you in spirit, rejoicing to see how well ordered you are and the strength of your faith in Christ. So then, just as you have received Christ Jesus as Lord, continue to walk in him, being rooted and built up in him and established in the faith, just as you were taught, and overflowing with gratitude. Be careful that no one takes you captive through philosophy and empty deceit based on human tradition, based on the elements of the world, rather than Christ.

SESSION ONE

Richard Blake

In my session, we will look at what we mean when we talk about secularism; the problems it claims to solve and the solutions it offers, how we are influenced by secularism and what our response should be. I quote from Shakespear, Hamlet Act 1 (Scene 5): "There are more things in heaven and earth, Horatio, than are dreamt of in your philosophy."

SESSION TWO

Amit Khaira

The call on us as followers of Jesus is to be countercultural. The dominant narrative, in our society, is based on lies or half-truths at best. So we need to be able to recognise these lies and live our lives in such a way that causes others to want to also seek the truth.

SESSION THREE

Arthur Lai

The decision we make 'at the crossroad' to choose Jesus is a really important decision, yet at the same time, it's just the first step. In my closing session, I hope to chart us a course of what the journey ahead looks like, and what we should commit towards to continue to pursue Christ!

WORKSHOP ONE

Ben Smart

In the modern world, there is an ongoing skepticism towards the reliability of the Bible. How do we know its truly God's word? How can we be sure it's accurately preserved from the original, when the Bible was just a selection decided by a bunch of people? In my workshop, we'll be exploring these questions together and will hopefully discover that the Bible is powerful and true, even in our lives today!

WORKSHOP TWO

Matthew Rose

Almost every single day of our lives we are faced with decisions. Some of them are small, but some of them are very big, with some very big consequences. In these decisions, how does the word of God play a part in our making a choice? This workshop will explore how we can biblically approach God's word to hear what He has to say about the choice we need to make.

WORKSHOP THREE

Joseph Pham

The Bible is one continuous story with the purpose of revealing the Gospel of Jesus Christ. The OT is an amazing part of that story but is can require a bit more navigating. As we become more familiar with the OT it will bring more depth and certainty to the truth of the Gospel. This workshop will equip you with a few tools to help start or continue that journey into the OT!

These questions are here to help you reflect on devotions, sessions and workshops during camp; they can also be used for your own quiet time/reflection!

SAT MORNING REFLECTION

 Receive - What did God reveal to you during last night's session?
 Respond - What would it look like to live out #1 in your context?

SUN MORNING REFLECTION

- 1. What is the main takeaway from each session you've sat so far? (including workshop)
- 2. How does the above (#1) change your response as you face future crossroads in life?
- 3. Reflect on any other questions or doubts you may have about choosing Christ at future crossroads?

MON MORNING REFLECTION

- 1. Considering the past weekend, what's one thing that you're grateful for?
- 2. What's your key takeaway from camp?

WARM FUZZIES

Warm Fuzzies are a Vibe Winter Camp tradition where we write notes of encouragement to one another. It's not often we get to have an extended period of time together, so let's make full use of it by making an effort to love and care for one another through the writing of warm fuzzies. You can write them to your tribe members, CG, new friends, leaders etc.

Here are some things you can write:

- Words of encouragement
- A bible verse you would like to share
- What about them you are thankful to God for
- A prayer over them
- Something new you discovered about them

Once you are done writing, simply put them in the paper bag with their name on it. Be sure to start early so you have sufficient time to write! SO, NOW WHAT?

We pray and trust that you had a blessed time at CROSSROADS 2022!

We believe that through our sessions, workshops, worship, fellowship and games, you've been able to experience God. Our prayer is that every moment at camp has drawn you closer to Him, and that you feel empowered to stand firm in the faith and to not be swayed by the ways of this world.

As you journey through life here on earth, we pray that at every crossroad you encounter, that you will continually choose the way of Christ, walking the path of light and love until the day Hereturns
