# WELCOME TO GATHERING SUMMER CAMP

2023

*My sheep listen to my voice; I  
know them, and they follow me.*

**JOHN 10:27**

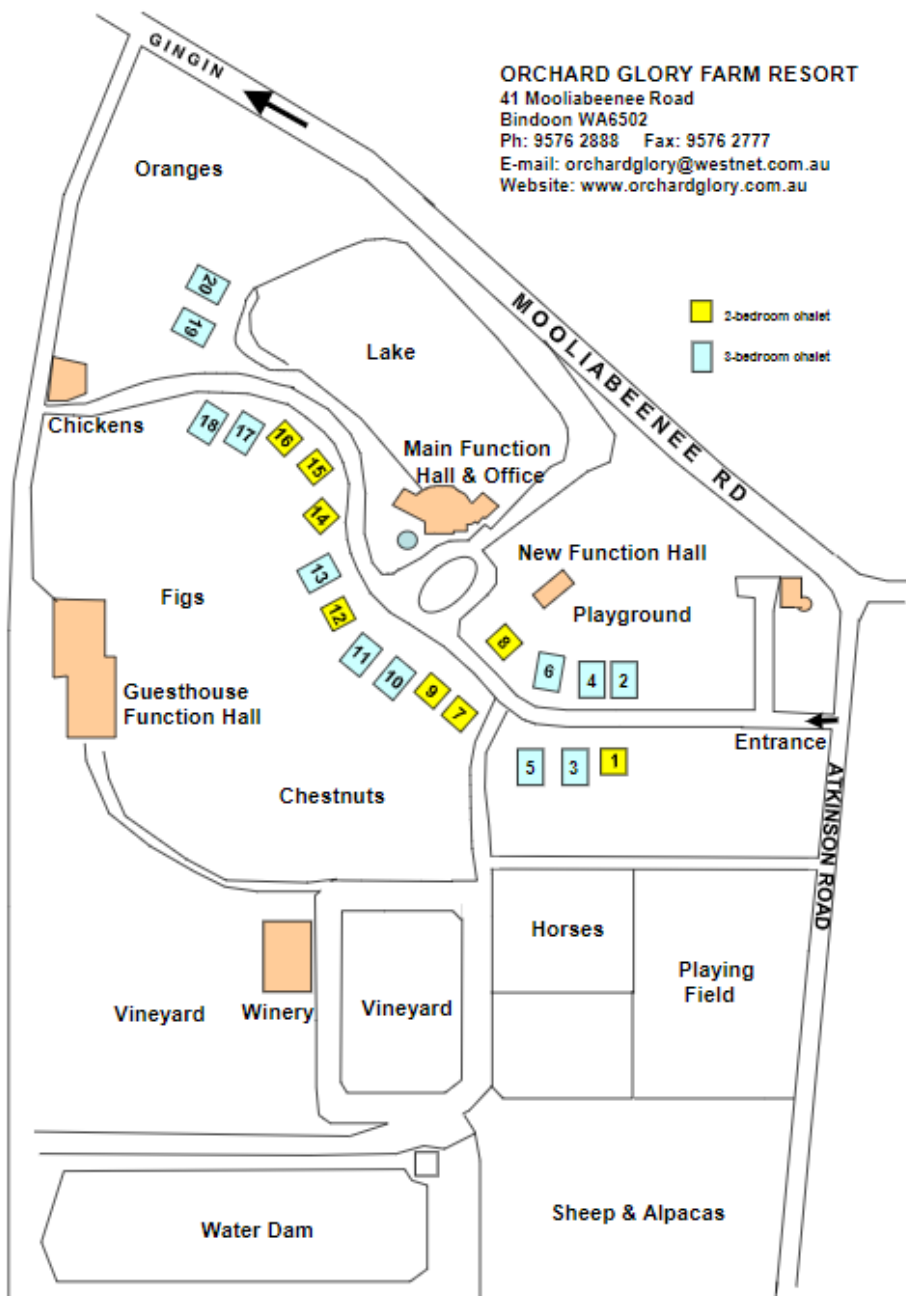

*We're so glad that you're joining us for this year's summer camp! Camps are such a precious time where we can come together with expectancy, with one purpose which is to seek God. Whether it's your first time or you're a regular camper, God has a word for each and every one of you. So get excited and come expectant, our God is on the move!*

*What does it mean to follow Jesus? For Him to know us and for us to be known by Him? How does He do so? Kinetics' summer camp "GATHERING" will be an exciting time where we will see how He gathers us together to follow Him. We'll be diving deeper into what these questions mean for us, and prayerfully, for the answers to be a lived reality in all our lives as His children.*

*So throughout camp, during sessions, games, dinner, free time, whenever! Be open to how God wants to speak to you! It's just one moment of God speaking to us, and us responding to Him that can change our lives forever! Let's allow God to speak into our hearts, and for God to use us to speak to the people around us too!*

*We love you guys and are so excited for you! Come chat any time, we'd love to journey with you!*
